

Sanpaphat Porntongprasert

Community Contributor | Blockchain Enthusiast | Event Manager

I'm a developer with a keen interest in the Ethereum ecosystem. I founded ETH Chula, an Ethereum club at my university, to foster a community of developers and enthusiasts.

Experiences

Partnership & Event Coordinator | KRNL Labs

November 2025 - December 2025 (Part-Time)

- Responsible for finding, securing, and maintaining important partnerships with both KOLs and other companies.
- Managed the end-to-end execution of events, overseeing strategic planning, logistical coordination, and financial governance. This involved developing core event concepts, securing and managing venues, and performing budget forecasting and management.

Event Manager | Meta Pool

August 2025 - October 2025 (Part-Time)

- Served as the sole and official representative of Meta Pool in Thailand, acting as the primary point of contact for all strategic partnerships and collaborations within the region.
- Responsible for hosting weekly community events to promote Meta Pool and Educate the community on its Web3 financial tools, including liquid staking, DAO governance, and liquidity pools.

Volunteer

Social Media Content Creator | ETH Padthai

August 2025 - Present (Part-Time)

- Created and managed a content calendar for educational and promotional materials across social media platforms
- Created and wrote content about Ethereum, explaining complex concepts in a simple way for a wider audience.

Thai Translator | Ethereum Foundation

July 2025 - Present (Part-Time)

- Authored and translated key Ethereum resources into Thai, including [Learn Hub ,10 Years of Ethereum , Introduction to Smart Contracts , What is Layer 2? Ethereum Accounts , Blocks] to make complex concepts accessible to a Thai-speaking audience.

Community Organizer | TomyumDAO (Polkadot Thailand Community)

September 2025 - Present (Part-Time)

- Responsible for the end-to-end management of two community events in Thailand. Covering all logistics: Agenda Planning, Venue Booking, Speaker Invitations, Manager Communication, and Merchandise Production.

Project

ETH Chula

August 2025 - Present (Full-Time)

- As a founder and leader of ETH Chula, I managed all club operations, from creating and writing Ethereum content and designing graphics to organizing events and securing sponsorships.

Mirage

October 2025 - November (Part-Time)

- A 4x4 Polkadot pixel NFT, dynamically evolving based on staked assets. Stake assets to earn **\$XP**, which is then used to mint the NFT to higher levels. Minting to a higher level increases its pixel count, visually representing growth and tying into the fundamental "dot" concept of Polkadot.
